Startup Founder | Visionary | Problem Solver

Highly creative and versatile founder of a tech-based consumer facing real estate brokerage. Innovating solutions for buyers and sellers amid a continually changing industry. Adaptive leader with notable board experience, lifelong learning, and a strong desire to steward others.

Creative Thinking

Problem solving and solution driven. Consistently asking questions and building skillsets to better solve industry problems with a focus on consumers.

Communication

Conveys ideas well through written and video content with a thorough understanding of real estate law, contracts, and industry standards. A natural ability to simplify complicated issues.

Discipline & Enthusiasm

Analytical thinker and logical decision maker. Motivated with intention and effort which merges into a dynamic personality of leadership and a catalyst of change.
